EBSCO

LIBRAFF

EBSCO

EBSCO Industries, Inc. has been in business since 1944. Starting out as a small subscription agency, EBSCO quickly became a pioneer in the library services industry.

EBSCO is committed to maintaining our role as an industry leader in the provision of quality research content, search technologies and delivery platforms. Through vision, action, innovation and a commitment to continuous improvement, EBSCO invests in the business to ensure the long-term growth of products and services for customers.

Currently, EBSCO is the global leader in the provision of diversified information services. We offer premium content, not only through journal and magazine subscriptions, but also through bibliographic and full-text databases, digital archives, e-books, readers' advisory, evidence-based clinical decision-making tools and more. As a leading technology company, EBSCO also offers a suite of feature-rich platforms and tools for building and administering information collections, analyzing usage, integrating with library systems and delivering content to end users.

Overall, EBSCO's primary business lines include:

- EBSCONET journal subscriptions and management
- EBSCOhost online databases
- EBSCO eBooks
- GOBI Library Solutions from EBSCO (for academic print and e-book acquisitions)
- Flipster digital magazines
- Learning Express skill-building, test prep, student and career resources
- Library consulting with Professional Services
- Licensed, secondary databases, such as Rosetta Stone, MyHeritage Library Edition, ABC-CLIO, etc.
- NoveList readers' advisory solutions

- Point-of-care and clinical decision support tools
- Software-as-a service, including EBSCO Discovery Service
- Stacks for website design and content management
- FOLIO Services from EBSCO (implementation, hosting and support for the FOLIO OS-LSP)
- OpenAthens authentication support

TEAS PRESS

Founded in 2014 by the European Azerbaijan Society, "TEAS Press" Publishing House has emerged as a leading force in the contemporary publishing landscape of Azerbaijan. Renowned for its distinctive style, it actively promotes book publishing within Azerbaijan, excels in the high-quality translation and publication of academic and diverse works from foreign languages into Azerbaijani. Additionally, one of its key missions is to play a pivotal role in enhancing the international recognition and promotion of Azerbaijan.

LIBRAFF

LIBRAFF, established in 2017, is the largest chain of modern bookstores in Azerbaijan. "LIBRAFF" chain of bookstores has 6 branches in Baku, 1 in Sumgait, and 1 in Ganja. LIBRAFF has a rich library in Azerbaijani, Russian, English, Turkish and other foreign languages in the "Book" section. In our stores, it is possible to get classic works of local and leading international publishers, specially selected examples of modern literature, entertainment and reading materials aimed at the personal development of children and teenagers. "STORIES COFFEE" is available in three "LIBRAFF" stores in the "coffeeshop in bookshop" concept.

SPEAKERS/AUTHORS

OCTOBER 25, 2023

DAY 1.

Mr. Aliaksandr Ryttau

Aliaksandr Ryttau serves as the Regional Representative of EBSCO Publishing Inc., dedicated to promoting EBSCO e-resources and software solutions within academic and research institutions, public libraries, medical facilities, and corporate organizations in Central Asian and Caucasian Countries. With a professional career spanning more than 20 years, his expertise has always revolved around international collaboration in the academic sphere. He has also gained experience in teaching and research, having successfully completed his PhD program. During his tenure as the administrator of the Erasmus+ Office in Minsk, he actively contributed to the development of international, educational, and research capabilities in Higher Education Institutions (HEIs) to harness the benefits of global diversity.

Currently, Aliaksandr Ryttau continues his lifelong commitment by assisting academic institutions in achieving educational and research excellence. He accomplishes this by providing access to world-class scientific content through EBSCO research databases, ebook collections, and Discovery tools.

Mr. Kanan Haji

Kanan Haji was born in 1975 in the Buzovna settlement of Baku, Azerbaijan. In 1992, he graduated from Secondary School No. 125 in the Buzovna settlement, Khazar region. Subsequently, in 1995, he completed his education at the journalism school.

Since 1995, his writings have been consistently published in various periodicals. He has held positions at several newspapers, including "İki Sahil," "Adalat," "Citizen Solidarity," and "Yazar". Furthermore, he worked as an editor at the "Kulis.az" website of the APA Information Agency, served as an editor at the "Qanun" Publishing House, and took on the role of editor at the "Publika.az" portal. Additionally, he worked as an editor at the "Aydyn yol" newspaper of the Translation Center under the Cabinet of Ministers of the Republic of Azerbaijan. He also held the position of editor at the Sim-sim.az website of the Azerbaijan Creative Foundation and presently serves as the editor-in-chief of "Mücrü" magazine.

In 2004, Kanan Haji was honored with the "Best Journalist of the Year" award by the Independent Media Center. In 2009, he was recognized as the "New Generation Writer of 2009" at the "Book Festival" competition, which was organized by the Ministry of Culture and Tourism of the Republic of Azerbaijan. Moreover, he has received prestigious accolades, including the "Golden Pen" and "Hasan Bey Zardabi" awards. In 2016, he was the recipient of the "Ali Bey Huseynzade" award, established by the Azerbaijan Writers' Union and the "Literature Newspaper." In 2020, Kanan Haji received the "Turan Union" medal for his contributions to the Turkic world, presented by the Union of Central Asian Writers and Historians. Additionally, in the same year, he was honored with the "Shahmar Akbarzade" international award by the "Vector" International Academy of Sciences.

Mr. Elchin Azimli

Elchin Azimli, a writer, business coach, and trainer, was born in 1975 in Oghuz city, Azerbaijan. He is a graduate of the Faculty of Political Science at Istanbul University.

His first novel, titled "Dan Ulduzu (The Morning Star)" was published in 2019 by TEAS Press and quickly became one of the top-selling books. His second novel, "Çağrı (The Call)" was released by TEAS Press in 2023.

He completed his education at the Adler Coaching School in Canada and holds Professional Certified Coach® and Mentor Coach degrees accredited by the International Coaching Federation. Additionally, he is an internationally recognized expert in the field of emotional intelligence.

Furthermore, Elchin Azimli played a significant role as the lead expert on the assessment panel for the "Yüksəliş (Rise)" competition, established by the Presidential Decree of the Republic of Azerbaijan on July 26, 2019."

Ms. Gunel Asgarova

Gunel Asgarova graduated with honors from the International Law Faculty at Western University and obtained her master's degree in the same field from Baku State University. Gunel participated in the American exchange program twice, through FLEX and IVLP programs. Having actively contributed to the field of education for more than twelve years, she currently serves as the Head of Student Services at ADA University. In addition to her professional career, Gunel is an accomplished writer and screenwriter, renowned for her expertise in children's and youth literature both locally and internationally. To date, Gunel has authored ten fairy tales, with her first creation, "Peace Pipe" winning a prestigious fairy tale script competition in Canada and being featured at the Toronto festival. In that same year, Gunel gained recognition in Hollywood for her work on "The Flute of Peace," receiving high praise and being regarded alongside famous blockbusters such as "Lord of the Rings" and "Maleficent". Gunel's dedication to her native Azerbaijan and the picturesque region of Karabakh is evident in her fairy tale "Three Daughters of the Khan", published in December 2020. This tale made its debut in Baku, celebrating the beauty and prosperity of her homeland. In 2022, Gunel released two more books. One of them, "The Rescue of Khamsa," inspired by the works of the genius Nizami Ganjavi and funded by the Ministry of Culture, received recognition. Her other book, "Leyli and the Little Man's Secret," is dedicated to environmental protection. Notably, "The Rescue of Khamsa" was honored with a diploma at an international competition held in Moscow.

OCTOBER 26, 2023

DAY 2.

Dr. Ramil Ahmadov

Ramil Ahmadov is an Azerbaijani writer, poet, and essayist was born in 1994 January 1st. He is a member of the Azerbaijan Writers' Union and has been recognized as a recipient of the President's scholarship and awardee.

Ramil Ahmadov was born on January 1, 1994. He attended Malibayli village secondary school No. 2 in the Shusha district from 2000 to 2011. Additionally, he pursued music education at Malibayli village children's music school in the Shusha district from 2006 to 2011.

From 2011 to 2015, he studied at the Faculty of Philology at Baku State University.

Subsequently, between 2015 and 2018, he participated in the "Yunus Emre Turkish Language Scholarship Program" and earned a master's degree in Turkish Language and Literature from Mimar Sinan University of Fine Arts. He has been pursuing his doctoral studies at Istanbul University since 2018 and has recently earned his PhD degree.

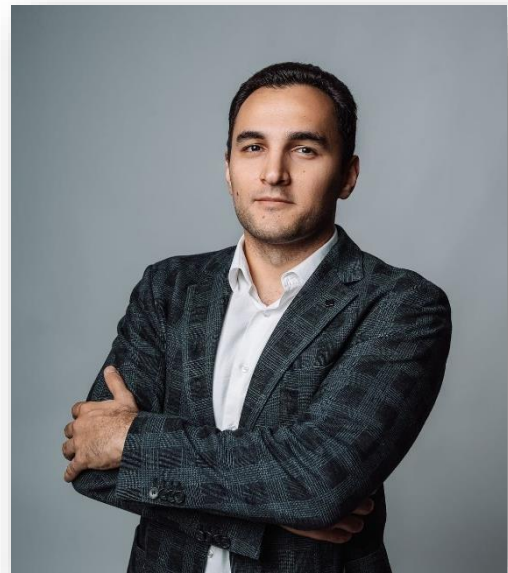

Mr. Ingilab Shahbazov

Ingilab Shahbazov is a sociologist by profession, with more than 8 years of research experience. Currently, he holds the position of a sociology instructor at ADA University.

In the academic year 2022-2023, he completed his second master's degree, earning an "MPhil in Criminology" from the University of Cambridge.

He has contributed 9 articles to various criminology journals. In addition, Ingilab Shahbazov is the author of the website "www.tedqiqat.com" and the book titled "Tədqiqat metodları (Research Methods)."

Mr. Itifat Ibrahimov

Itifat Ibrahimov holds the position of a leading specialist in the Main Systems and Integration Department within the ICT department at ADA University.

He also serves as a senior consultant on digitization and library technologies at the Library-Information Center of Azerbaijan Technical University.

Additionally, Itifat voluntarily acts as the country coordinator for licenses in Azerbaijan for "Electronic Information for Libraries" (EIFL.net), an international information provider, and as the Azerbaijan Ambassador for "Crossref," the global registration agency of the DOI foundation

Mr. Yunis Oruj

Yunis Oruj was born on December 21, 1977, in the Masis district of the Armenian SSR, which was formerly known as Zangibasar and earlier as Ulukhanli.

An esteemed figure in the Republic of Azerbaijan, holds the titles of an honored journalist, accomplished writer, and respected publicist. He is also an active member of the Azerbaijan Writers' Union and has gained recognition for his historical novels, including "Nargin: saralmış kədər (Nargin: yellowed grief)" and " Boraltan: azadlığın tələsi (Boraltan: trap of freedom)."

In 2015, marking the 140th anniversary of the establishment of the national press in Azerbaijan, Yunis Oruj was conferred the prestigious title of "Honorary Journalist" by the decree of President of the Republic of Azerbaijan. In further recognition of his contributions, a separate decree signed by the head of state in 2019 awarded him the 100th Anniversary Medal of the Azerbaijan Democratic Republic."

OCTOBER 27, 2023

DAY 3.

Assoc. Prof. Fariz Ahmadov

Assoc. Prof Fariz Ahmadov completed his bachelor's degree in business organization and management at the Turkish World Business Faculty at the Azerbaijan State University of Economics from 1999 to 2003. Subsequently, he earned a master's degree in management and organization at the Institute of Social Sciences of Sakarya University in the Republic of Turkey from 2003 to 2005. In 2006-2010, he successfully completed his doctoral studies at the same university, obtaining a Ph.D. in economic sciences. From 2010 to 2014, he held various positions at the "Turkish World Economics" faculty of the Azerbaijan State University of Economics, including instructor, senior lecturer, associate professor, and deputy head of department. Then, from 2014 to 2016, he served as the head of the "Economics and Management" department at the Azerbaijan State University of Economics. Since 2016, he has been dedicated to his role as the director of the International Master's and Doctoral Center at the Azerbaijan State University of Economics. Throughout his career, Assoc. Prof. Ahmadov has made notable contributions to the field, with over 30 scientific articles published, including approximately 10 in prestigious global scientific journals (Web of Science, SCOPUS index). He is the author of one textbook, two textbook supplements, one teaching methodological resource, and five teaching programs. His outstanding achievements were recognized when he won the "2016 Young Scientist of the Year" prize competition organized by the Foundation for the Development of Science under the President of the Republic of Azerbaijan. In 2020, he received the badge "Advanced Education Worker of the Republic of Azerbaijan" by the order of the Ministry of Education of the Republic of Azerbaijan.

Prof. Yashar Kalbiyev

From 1982 to 1989, Prof. Yashar Kalbiyev pursued his studies at the Azerbaijan Oil and Chemical Institute, known today as the Azerbaijan State Oil Academy, where he majored in Economist-Engineering. Following that, from 1991 to 1993, he continued his education at the post-graduate level of Azerbaijan State Oil Academy. In 1999, he earned the title of Candidate of Economic Sciences, and in 2010, he was awarded the degree of Doctor of Economic Sciences, along with the academic title of Associate Professor. His professional journey includes various roles: from 1989 to 1991, he served as an intern-researcher and engineer at the Institute of Oil and Chemistry named after M. Azizbeyov. From March 1994 to October 1995, he worked as an assistant in the "Economy and Management of Machine-Building Industry" department at the same institute. In the period from 1995 to 1999, he held positions as Chief Economist and Chief Accountant at "Tafakkur" University. In 1999, he became the Head of the Department and served as the Head of the Training Center in the Ministry of Taxes system. Since 2002, he has been dedicated to teaching at Azerbaijan State University of Economics. From 2008 to 2015, he served as the Head of the "Tax and Taxation" department and as a professor in the "Finance and Financial Institutions" department. In recognition of his longstanding, effective scientific and pedagogical contributions, he was honored with the UNEC "Decree of Honor" on October 6, 2017. Currently, he holds the position of Head of the "Economics and Technological Sciences" department, formerly known as the "Economics and Management" department, at UNEC. His research focus lies in the examination of tax policy and tax administration issues. Prof. Yashar Kalbiyev is the accomplished author of 3 textbooks, 2 teaching materials, 3 monographs, and 1 methodical guide covering various aspects of economics. His extensive body of work encompasses over 90 scientific articles published both nationally and internationally.

Assoc. Prof. Aytan Huseynli

Assoc. Prof. Aytan Huseynli earned her Bachelor's degree from "Institute of Public Economy Management" under the Cabinet of Ministers of the Republic of Azerbaijan, "Business Management" (taught in Turkish), 1993 - 1997.
